><p>Hiccup was glad to go to bed, he was up before dawn because Toothless decided he needed to go potty and then decided he was gonna go for a walk. Hiccup had to chase him around the village and it was breakfast by the time he caught up to him, then had to wait till after midnight to go to bed because he had to work an extra shift because Gobber was sick that day. At least one of the cooks gave him a slice of cherry pie.<p>

Hiccup got under the covers and fell asleep instantly, but had the strangest dream. He dreamed he was wearing wearing a light blue dress and a light blue cae to match and it was covered in snowflakes, and he was singing.

><p>The snow glows white on the mountian tonight not a footprint to be seen,<p>

A kingdom of isolation and it looks like I'm the king,

The wind is howling like the swirling storm inside,

Couldn't keep it in heaven know I tried,

Don't let them in don't let them see be the good boy you always have to be,

Conseal, don't feel, don't let them know,

Well now they know,

Let it go, Let it go, can't hold it back anymore,

Let it go, let it go, urn away and slam the door,

I don't care, what they're going to say,

Let the storm rage on, the cold never borthered me anyway,

It's funny how some distance makes everything seem small,

And the fears that once controled me can't get to me at all,

It's time to see what I can to test the limits and break through,

No right no right no wrong rules for me I'm free,

Let it go let it go i'm one with the wind and sky'

Let it go you'll never see me cry, here I'll stand and here I'll stay,

Let the storm rage on,

My power flurries through the air and to the ground,

My soul is spiraling in frozen fractals all around,

I'm never goind back the past is in the past,

Let it go let it go and I'll rise like the break of dawn,

Let it go let it go the perfect boy is gone,

Here I stand in the light of day,

Let the storm rage on,

The cold never bothered me anyway.
